

DAWOOD PUBLIC SCHOOL

Annual Examination Syllabus 2011

Mathematics

Class: IX

- Linear Inequalities
- Statistics
- Symmetry
- Volume and Surface Area
- Quadratic Graphs
- Pythagoras' Theorem
- Trigonometric Ratios
- Mensuration
- Motion Geometry
- Solution of Quadratic Equations
- Congruent and Similar Triangles
- Area and Volume of Similar Figure and Solids
- Coordinate Geometry
- Algebraic Manipulation & Formulae (subject of the formula)
- Factors and Multiples
- Arithmetical Problems
- Rate ,Ratio and Proportions
- Basic Geometrical Concepts
