Dear children,

The long awaited summer vacation is here. Summer is a time to relax, be productive and to get ahead. As important as it is to rest and enjoy, it is also important to continue to learn. Strike a balance between work and play and allow yourself to grow in the process. You can spend your time as you wish but make sure that along with enjoying and relaxing make this summer a time to learn new things, exploring the opportunities available. To enhance your learning we have planned enjoyable activities to keep your skills sharp and concepts clear. Use your energy and give a vent to your creativity. It will surely enhance your learning process.

Relax, enjoy, have loads of fun and come back refreshed.

Ms Mahvash Roshani
Principal

See you on Monday, 01st August, 2016.

Vacation Journal Day

The weather was.......  I ate .......

My favourite thing I did today........

Note: Fill the vacation journal every Monday.

Learning Life Skills

Inculcate following Life Skills and become independent:
- Tying your shoe laces.
- Packing your school bags.
- Keeping your belongings in their place.
- Take care of pets if you have any.
- Arranging shoes in the shoe rack.
- Be creative and draw at least four free-hand drawing sheets every week and colour them.
Inculcating Healthy Habits

- This is the best time when you can inculcate the habit of eating healthy food such as drinking milk. As you enjoy drinking milk in the school on every Thursday, during holidays follow the same habit at home.
- List and draw some of your favourite items made from milk.

Lists: ___________ ___________ ___________

___________ ___________ ___________

___________ ___________ ___________
Grow a Plant

This step-by-step detailed science activity will help kids grow a plant without much adult intervention.

You will need-

- Seeds
- Water
- Soil
- A pot
- Plenty of sunlight

Directions-

- Fill the pot with soil.
- Place the seeds inside the soil.
- Place the pot with the seeds on a window sill where there is plenty of sunlight.
- Water the seeds everyday. Don't pour too much of water though.
- In about a week, you will notice the seedlings growing into sprouts!
- In no time, will you have a little plant on your pot!
Look at the picture and fill in the blanks.

There are ___________ children in the park.
