Dear children,

The long awaited summer vacation is here. Summer is a time to relax, be productive and to get ahead. As important as it is to rest and enjoy, it is also important to continue to learn. Strike a balance between work and play and allow yourself to grow in the process. You can spend your time as you wish but make sure that along with enjoying and relaxing make this summer a time to learn new things, exploring the opportunities available. To enhance your learning we have planned enjoyable activities to keep your skills sharp and concepts clear. Use your energy and give a vent to your creativity. It will surely enhance your learning process.

Relax, enjoy, have loads of fun and come back refreshed.

Q.4 Father’s Day is observed on the third Sunday of June that is 19th June, 2016. It honours all fathers, grandfathers and father figures for their contribution. So on this Father’s Day make him feel special in every small way.

• Surprise him by giving him a handmade card and write a striking message.
Math

You must be enjoying your vacations and must be busy shopping for Eid. Here is an interesting math activity which will tell you how much money you spent on yourself. When you go to the market for shopping note down the prices of the things you have bought. Later calculate the total amount you spent. Note the prices in the given chart.

Date: ___________       Day: ___________

<table>

Record the things you bought during these vacations and use a separate chart for each day.

General Knowledge

Paste pictures of your grandparents (nani and dadi) and find out about their:

- Birth place and education.
- Favourite food, colour, hobby, fruit, etc.
- How the environment was when they were of your age.
- The mode of transportation they used to go to school.

Science

Make a GARDEN in your house (balcony) in order to reduce global warming. How to make the garden? Take waste / old containers (e.g. bottles, jars, pots). Colour them nicely and convert them into planters. Grow plants in these planters. Water them every day and watch them grow.
